

Whittlesea Youth Mentoring Program

Apply now

A pathway to employment for local young people

The Whittlesea Youth Mentoring Program helps kick-start your career through professional guidance, support and skill development. This unique approach to mentoring is tailored to your needs and interests, opening up a world of possibilities and helping you thrive in the world of work.

What's involved

Mentoring

Dedicated support from a professional mentor offering guidance with career pathway planning for 9+ months

Skill Building Workshops

Regular workshops to arm you with the tools to thrive in the world of work and grow your networks.

Additional support

Ongoing support from the Program Coordinator to give you the best program outcome
